

Fees of IESOL, ISESOL, EBC, SETB, YLESOL and YLSESOL in the Czech Republic for Oct 2011- Sept 2012

Concerning the examination fees of City & Guilds International ESOL, SESOL, EBC, SETB, YLESOL and YLSESOL (ESOL and SESOL for Young Learners) in the Czech Republic for 2011-2012, we are suggesting that the centres should adopt a maximum fee policy. We find it desirable and convenient to keep a certain price level in the country, and, at the same time, to ensure that our fees stay competitive.

Hence we are suggesting that the maximum fees in CZK to be charged by the centres should not exceed the following:
